

Reynard Antibacterial Hand Gel.

Sanitation on the go.

Our fast-drying formula kills 99.9% of the most common illness causing germs. A combination of alcohol and chlorhexidine digluconate provides longer lasting protection. With aloe vera and vitamin E to keep hands refreshed and moisturised.

Rub your hands palm to palm

Rub the back of each hand with the palm of the other hand with fingers interlaced

Rub palm to palm with fingers interlaced

Rub with the back of your fingers with your fingers interlocked

Rub each thumb with the other hand

Rub the tips of your fingers in your palm in a circular motion

Please note: we recommend following hospital patient cleaning protocols, including the use of P.P.E. where appropriate.
